FOURTH OF JULY PROGRAM.

D. A. R. Committee Nearly Ready to Report Details.

Mrs. Howard L. Hodgkins, vice regent and acting state regent for the District of Columbia Daughters of the American Revolution, is arranging the program for the 4th of July celebration in Memorial Continental Hall as rapidly as possible. Mr. Fred Owens will decorate the hall and promises to outdo all previous efforts in that direction. A joint committee of the Sons of the American Revolution and Sons of the Revolution have tendered their services as ushers for the ceremonies, which will be given at 10:30 a.m. The Rev. J. Nevill Smith, vicar of Old St. Paul's, New York city, is coming to Washington to pronounce the benediction.

The general public has been invited by the president general, Mrs. Donald McLean, to attend the exercises, and special invitation is extended to all patriotic societies and school children.

The Sons of the American Revolution and Sons of the Revolution are taking special interest in the celebration. Mr. William Hamilton Bayly, president of the District of Columbia Society of the S. A. R., has issued an artistic notification to the "compatriots" of the order of the coming celebration. D. A. R. is printed in blue on buff paper, the colors of the S. A. R., and embodies the letter of personal invitation extended by Mrs. McLean, president general, Mrs. Donald McLean, to Mr. Bayly, then adds: "It is hoped that you and your members of your family and personal friends as can attend will accept this invitation."

President Bayly further says: "We should have as large a representation of our society as possible present during the celebration.
